PROFESSIONAL BODYCAM SOLUTIONS

T3 Live Bodycam

PRODUCT SHEET

Your eyes in the field

The T3 Live body-worn camera is the latest addition to the ZEPCAM Bodycam system.

It is the perfect solution for supervisors to support frontline professionals and remote workers in public safety, security, inspection and technical services. The T3 Live Bodycam allows the user to Live stream video with audio and GPS to a central control room. The images can be viewed in real-time and stored for review using the same ZEPCAM Manager Software for all three generations of bodycams.

- ✓ Superior Live streaming
- ✓ 4G / Wi-Fi connections
- ✓ Easy to use and light to carry
- ✓ Robust and IP68 dust & waterproof
- ✓ Fully GDPR compliant
- ✓ Long life battery
- ✓ GPS track and trace
